BANK HOLIDAY – School will be closed next Monday 2nd May for a Bank Holiday.

EASTER DISCO – Thank you to those of you that supported our Easter Disco, we raised an amazing £276.50! Thank you also to the PTA for organising this event.

THE GREAT WHITCHURCH BAKE OFF COMPETITION – We are running a baking competition in school this term for all children to take part in, with some great prizes to be won!

Children should bake and decorate a cake of their choice at home and bring it into school on **Wednesday 4th May**. Cakes will be judged for design and taste by Mr Hornsby (Paul Hollywood) and Mrs Ware (Mary Berry).

We are asking all participants to bring in a £1 donation to the school.

Prizes will be given for KS1 and KS2 entries separately.

Cakes can then be taken home and enjoyed after the event.

We look forward to seeing your creations!

JEWELLERY – Reminder – children in the infants should not wear jewellery to school, this includes earrings as they can easily be pulled out during play. Children in the juniors may wear stud earrings to school if they can safely remove them themselves for sports.

CHANGEABLE WEATHER – Please ensure that your child/ren have a coat in school as it still gets cold and wet at times and children will go out to play in all but extreme weather conditions.

PARKING – We have been asked once again to remind parents not to park on the double yellow lines or on pavements outside the school when dropping and collecting children, this is very dangerous and means that other parents and children have to walk into the road to get by. Please be aware that the police are now monitoring the area. The school car park is for staff only. Parking is available in the Toby pub at these times for 15 mins maximum.

MUD HEAD – Mrs Fox is also running a gardening competition this term. Children are asked to design a mud head at home and bring it into school on **Friday 13th May**. At the top of the back field we have an area which will be named ‘Ogres Orchard’. In this area we will plant fruit trees and the winning design will be made in gardening lessons with Mrs Fox, and displayed in the centre of the orchard for all to see!

These are some examples of a mud head, but please let your imagination flow....

FRIENDS OF WHITCHURCH PRIMARY - Our next meeting is Tuesday 17th May at 6pm in the school hall. Everyone is welcome.

We are very grateful to Whitchurch and Hengrove Community Group for giving us a Grant of £500 to go towards forest school equipment.

Date for your diary - Jubilee BBQ on Friday June 10th after school. Details to follow. If you are able to help in the kitchen, selling raffle tickets or sell sweets etc. then please see one of us or leave your details with the office.
