SPORTING WHITCHURCH: With the plethora of sporting events our school engages in, such as our weekly swim and gym session, we are truly forging our identity as an 'outdoor school'. Exciting events this week include Year 5 visiting a football tournament in which they played against other schools across Bristol, winning a majority of their games! Well done to the children for playing, and Miss Cefai for organising!

SPORTING WHITCHURCH 2: Meanwhile, all Key Stage 2 children enjoyed a morning of traditional sports in the sunshine yesterday! Children from Year 3, 4, 5 and 6 took part in football and basketball sessions to name two, learning the rules and tactics of these games from specialist coaches!

SPORTING WHITCHURCH 3: And the sports action continues, with less traditional sports next week! We have a bumper **WEEK OF ADVENTURE** planned, with all children taking part in a variety of sports new to them, from climbing to yoga, cricket to free-running. This culminates in our highly anticipated visit to Ninja Warrior on Friday!

SPORTING WHITCHURCH 4: Not a sport, but certainly an Outdoor Activity, good luck to Mrs Fox and her gardening teams who have worked intensely to get the outdoors of our school looking magnificent. Children have learned about planting seasonal plants and how to tend for them. They enter their efforts into 'Bath in Bloom' this Friday, to see if they can equal or better last year's 'Silver gild' award!

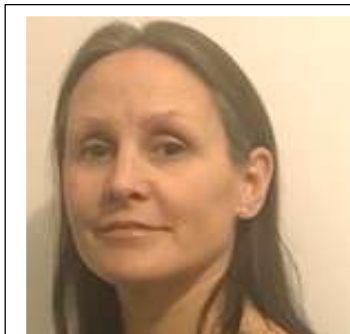

WELL DONE TO YEAR 1! Here they are, our Phonics superstars! Well done to Year 1 who worked so well on their national phonics test last week. Children were rightly pleased with their results, all having made superb progress since joining the school. A reward of ice creams and a movie was well deserved!

MISS KELLOW - This week we say goodbye to Miss Kellow who has worked with our children throughout the year as part of our 'Covid Recovery' initiative. Miss Kellow has taken groups of children from each class throughout this year to aid them in working on any key learning they may have missed due to Covid lockdowns. Miss Kellow has made these sessions fun, pleasurable and of course educational, meaning children have very much enjoyed attending.

These sessions now draw to a close as the end of the academic year approaches, so thank you Miss Kellow for your wonderful work for our school!

PTA BBQ: We are gearing up for Friday's PTA Summer Barbecue. Tickets on sale now at the end of each school day. Look for our PTA member on the front entrance!

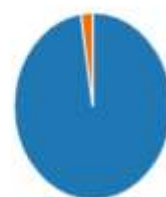

SCHOOL SURVEY: Thank you to the many parents who completed our school survey in Term 5. Having received the results we will publish various answers each week, answering queries they may bring up. To start with; a strong one. Thank you to the 40/41 parents/carers who would recommend our school. Remember if you are not happy, or have a suggestion for improvement, please do let us know. Thank you.

17. I would recommend this school to another parent/carer

- 1. Yes
- 2. No
