GOODBYE MRS RICHARDS! Today we bid a farewell to Mrs Richards, who works at our school as a learning support assistant. Mrs Richards has worked with a number of children in our school to ensure they get the support and education they need to thrive. Well done Mrs Richards! She has also worked on our nurture room, developing it to the inviting and friendly surrounding it is today, as well as supporting individuals and groups in class, ensuring all 'achieve our best together'. Mrs Richards is moving on to a position in a specialist teaching school, who will benefit enormously from her experience, excellence and all round greatness! Good luck Mrs Richards!

COMPUTING AT WHITCHURCH PRIMARY SCHOOL! What a week of computing it's been, From Year 2 using Beebots for directional algorithm programming, to 'Crumbles' and 'Microbits' in upper KS2!
