Support for families and young people with special educational needs and/or Disabilities (SEND).

Explore the SEND Local Offer to find out what support there is available for young people with SEND and their families. Live Well B&NES includes details of wellbeing groups, social clubs, inclusive activities, holiday clubs, mental health support services and opportunities beyond formal education.

Dedicated information sections signpost to support around benefits and funding, Education, Health and Care Plans (EHCP's), health services and how to access impartial advice and guidance from specialist teams.

Parent Carers of young people with SEND can identify ways they can access support for their role as a parent **carer** of a child with additional needs.

You can also apply for your child's free Rainbow Resource card providing discreet confirmation of their additional need, and enabling them to access dedicated activity sessions, quiet spaces and support, and in some cases concessions to venues across the South West.

Visit the [SEND Local Offer](#) to find out more.

ABOVE are a selection of advertisements, notifications and a thank you from our school stakeholders, thank you all for this generosity, kindness and offering of services.

BUILDING CONSILTATION: I have been asked by a local community group to raise your awareness of building work planned for the Whitchurch area. Please follow this link for the consultation:

SCIENCE WEEK: Next week see the launch of our Science Week! There will be visits from scientists, exciting demonstrations and inspiring lessons for all children to enjoy! Thank you Miss Williams for organising this sensational week. As part of it, the EXPLORADOME will be visiting, so be in school, on time, every day to experience it!

EASTER BONNET COMPETITION: Our PTA invite you to enter our Easter Bonnet completion! Just for fun, the competition opens now and concludes on Easter Disco day, the discos themselves featuring a parading of the bonnets!

CARS IN SURROUNDING AREAS: A reminder to not park in the private section of Vicarage Court, the road next to our school. This is a private road, and features double yellow lines, and therefore should not be parked on. Thank you in advance for helping us keep good relationships with our neighbours.

ATTENDANCE: Well done all for continuing to come to school, on time, every day. As you can see from the chart below, our attendance is drawing close to both our trust and hub (local schools). Whilst we enjoy the excitement of the competition this offers, it is of course most important that children are here in order to learn, and experience the great opportunities our school offers.
