**SATS** – Next week Year 6 begin their SATS: National tests that take place in all primary schools across the country. We wish the children of Kingfisher class the very best of luck, and thank their teachers, support staff and parents/carers for all the support they've given in preparation. Year 6, it's time to show what you've learned and how everyone at our school is 'achieving their best together!'

**FOOTBALL:** Well done to the children of Whitchurch Primary FC who played a recent match against Bridge Farm. Although we didn't get the result we were looking for, the children played in good spirit and showed determination and sportspersonship. Good luck against Wansdyke FC tonight!

**LSP REVIEW:** This week we had visitors from our trust reviewing our work in History, Computing and Design and Technology. The children showed an impressive array of work, such as investigations into Mary Anning, programmed pedometers using ICT and working models of Kites. Well done Whitchurch!

**E-SAFETY UPDATE:** Following recent alerts in the news and alerts to school regarding online safety, Miss Fudge developed age appropriate lessons to teach children how to stay safe online and to be aware of this latest development in e-safety. For further information please read here:
