WETHECURIIOUS: The children had a fantastic time at WeTheCurious this week! Well done to all staff, parent helpers and children for taking part in this epic whole school event, and Miss M Williams (on MAT leave) and Miss Cefai for organising this military scale manoeuvre!

WORLD BOOK DAY: Is next Thursday 6th March. As always we encourage children to dress up as their favourite book character! Please could we ask that costumes are warm (as it's cold) practical (as children will go outside to play in them) and that no costumes include accessories (They get lost leading to upset).

FREE MEDICAL RESOURCES AND PROVISIONS:
Our school nurse service has provided us with the below link. Please take a look at the website, as it offers free services in the event of your child catching headlice, for instance. There are many, many circumstances in which this may help, so please do access this link:
