SATS NEXT WEEK: Good luck to our Year 6 children who will be taking their SATs next week. Pupils will sit tests in spelling, grammar, reading and maths and we wish them the very best of luck. The class, their teachers and support staff have all worked incredibly hard, both during school hours, before and after and we know so many of our parents and carers have been supportive at home too. Good luck Whitchurch!

NEW DOOR SYSTEM! We have responded quickly to Martyn's law and improved the security and safety of our school site. In order to enter the front office now you will need to ring a bell on the outside of the building (to the far left on the blue frame). Office staff will then allow you to enter the front office area. Should you need to enter the main building, a second button will need to be pressed to let you in. This in effect creates an 'airlock' system, enhancing the safety of our school. To increase this further, please do not wait in the office area during busy times, as office members cannot see the front door. Thank you.

ATTENDANCE TREAT: Well done to Puffins class, who have the highest attendance this year so far. An additional gym session treat for them! Remember to bring children to school, on time, everyday!

YEAR 4 SCIENCE: Was spent hunting insects, larvae and other creatures in our forest school. They even found a slow worm wearing an acorn hat!

RECEPTION TRIP TO NOAH'S ARK:

Our EYFS children enjoyed a superb day out in the sunshine, learning about animals!

PRAISE WINNERS: Well done everyone!
