WELL DONE YEAR 6! Pupils in Year 6 have completed their SATS this week; challenging them in reading, spelling, grammar and maths. The children approached the tests with calmness and determination, and used all that they'd been taught over the years to show what great learners they well and truly are. Well done Year 6, we are all so proud of you! Thank you too to the teachers, learning partners and HLTAs who have supported them on this journey over the years, and to parents and carers who have given their aid at home too! Hurrah for Year 6, a well deserved trip to Weymouth awaits you next week!

CARPARK PROCEDURE AT DROP-OFF AND PICK-UP: This continues to be a challenge, as we want to aid our families who need to use the carpark, but at the same time maintain a safe environment for all. From Term 6 the carpark will close at 8:30am. John Wilton, our lollypop man will close the gate. If you wish to use the carpark please arrive before then. Gates will then re-open at 8:55am to allow cars to leave, once all children have left. Please could those using the carpark escort children from your vehicle to the gate, as children running across the carpark unaided are difficult to see. Thank you.

BLEED KIT: Please note a bleed kit has been installed at our school. The image left shows it's location. Please let all in the community know we have one and where it is. This can then be used in case urgent, life saving medical attention is needed.

PARENT COMMUNICATION: Please could communications between parents regarding school issues go through the school, preferably Mr Hornsby or Miss Cefai, and not through ClassDojo or WhatsApp. The nature of the written word is interpretable, whereas spoken communication allows for far better clarity.

NORBOT! Whitchurch will soon be taking delivery of its very own 'Norbot', to join our 'Sean the Sheep' and 'Feathers McGraw' in our office area. As usual, a competition design sheet is attached, get designing!

PHSPORTS:

Bookings for May half term holiday:

WWW.PHCAMPS.CO.UK
01225 701830
BOOKING@PHCAMPS.CO.UK

Tuesday 27th May - Friday 30th May
