PHONICS AND MULTIPLICATION TABLES CHECK: Well done to Year 1 and selected Year 2s for taking part in national phonics tests this week, and well done to Year 4 for completing their multiplication tables check. We are a strong school in both these areas, so well done teaching staff too!

BRISTOL BEARS RUGBY: Thank you Bristol Bears, who this week began 6 weeks of training sessions! Children took part, and teachers watched in order to improve our knowledge of how to teach this sport!

COMING SOON! THANK YOU to our PTA for these three superb events. All your donations go towards funding these amazing events: Our climbing wall, and our soon to join us Norbot!

FRIDAY 11TH JULY
