REMEMBRANCE DAY: Thank you to the children of Year 6 who showed great respect at the Royal British Legion on Remembrance Day. The class also appeared on ITV news, who filmed the event. Years R to 5 also observed this important event in the playground and showed equal respect and thanks.

GOODBYE TO OUR WALNUT TREE: A feature of the school since its construction in 1914, and present on our school logo, headed paper and throughout the building, our main tree will sadly be removed over the Christmas break. Starting on Monday 22nd December, this behemoth will be taken down and chipped for play surfacing, whilst larger pieces will be used as natural furniture for the children. We realise some parents/carers and community members have an attachment to this tree, so please do take photos etc whilst you can. In its place, two years ago we planted a Silver Birch in a designated space in our playground to replace it, although it will be many years until it reaches the magnificence of our departing goliath.

CAR PARK: Please only use this space if you are a blue badge holder, and have the **blue badge named person in your car**. The car park is not for use if you are running late, or do not want to walk the distance from a parking space. A reminder that the Toby Carvery can be used for free, for fifteen minutes, to park in, and this is enough time to get your child to school and return to your vehicle, especially if you're running late.

HOLIDAY CHILDCARE: PHSports will not be running over the Christmas Break. If you are looking for child care during this time, please try: <https://grassrootssportsbristol.co.uk/>

PRAISE AND SHOWCASE: Superstar learners!
