VE-DAY! Year 6 studied this important event.

COMPUTING: We are creating cyborgs this week.

BUPA DENTAL CARE: Please be aware the BUPA Dental Care clinic on Whitchurch Lane is taking NHS child patients on at present (children only). Please enrol your child if they are not with a dentist.

FOREST SCHOOL: Mrs Fox is unfortunately unwell and as such has sadly been off school. This means forest school has not been taking place with its usual regularity. Once Mrs Fox is back we plan to reschedule these sessions. All children will get at least 4 sessions each year, as promised in our prospectus.

BLACK FRIDAY: If you're doing Christmas online shopping this year, please don't forget to go to the websites via Easyfundraising. Every time you shop, a donation is made to the PTA. If you haven't signed up, we are registered with them as "Whitchurch School Association". <https://www.easyfundraising.org.uk/>

LET US KNOW WHO IS PICKING UP: We have had several incidents this week in which parents and carers of children at Whitchurch Primary School have sent other adults/older siblings to collect their children. If you are going to do this, **you must let us know**. If we see an unknown adult collecting a child, we will ask them who they are, which is an uncomfortable situation for staff, the person collecting, and everyone around watching. Please call, text or email the school if you are sending a person unknown to us.

SATS and NATIONAL TESTS - Please be aware that in the new calendar year there will be numerous tests and examinations for various year groups for which it is essential your children attend. By being in school your child will be able to demonstrate all the great learning they do at Whitchurch Primary. Dates to ensure attendance for are:

Year 1: Phonics testing week begins on Monday June 8th . Please be in every day this week.

Year 4: Multiplication check: June. Please be in every day this month.

Year 6: Year 6 SATS week begins Monday 11th May. Please be in every day this week.

PRAISE: Learning leviathans.

ANTI-BULLYING WEEK:

A number of events took place to mark this event, including assemblies on anti-bullying, activities in class and a visit from our local police officers! Ask your child what they did!
