VISITORS TO WHITCHURCH THIS WEEK! Well done to the children and staff of Whitchurch who hosted numerous visitors this week. On Monday we welcomed school leaders from our trust to see how we work with various pupils following our letter of congratulations from the secretary of education. Tuesday saw a visit from over 20 SENDCos in which Miss Cefai led a tour and talk on what we do to support pupils who need it most. Our School Improvement Partner was also on site this week to see how we teach reading, and commented: *Children talk with confidence about the school's approach to reading. They are able to explain how adults help them to improve their reading skills. They readily share the names of their favourite authors and books and can justify why. Children spoken to were articulate and proud of their school. They talked about how kind everyone is to each other. Children are positive about reading and the rewards that encourage them. One child in Year 2 said: "The more you read the smarter you'll get".*
