SPORTS DAY! Our annual celebration of sporting competition approaches! The date is set for the morning of Thursday 26th June, we look forward to you all joining us to cheer on our future Olympians!

PARENT SURVEY: Thank you to the many parents and carers who completed our recently advertised survey. The results were overwhelmingly positive, meaning we were overwhelmed with joy! Thank you for your belief and trust in our school. Moving forward we will use these results to improve Whitchurch further, and will publish these actions in future newsletters, but for now please enjoy these positive results!

WEST MAYORAL COMBINED Bath & North East Somerset Council

As Children’s Commissioner, I am writing because I have not yet heard from any children or young people at your school as part of my national survey, The Big Future.

I am asking for your support in ensuring children and young people from your school take part here: <http://www.childrenscommissioner.gov.uk/thebigfuture>.

It is crucial that I hear from children in every school and college, in every community, across the country. Without hearing from your students, their experiences, views and aspirations risk being missing from the national picture that will help shape future policy.

At a time of significant change for children and young people, it is more important than ever that their views are reflected in policy making. Through this survey, I can take the voices of your students directly to the centre of government.

I am asking you to share the survey directly with pupils through your school or college email systems, as well as with parents and carers across your wider school community.

Rachel De Souza, Children’s Commissioner.
